Circular No. T. A. D. Mis. 171, *dated* 10*th February* 1930.

Subject.—Noting the pay on 1st July of each year in a separate page at the end of Service Register.

To

All Heads of Departments and Offices.

Reference is invited to this Office Circular No. 623—Pen., dated 1st October 1929 (published on page 1315, Part IV of the *Mysore Gazet e*, dated 17th October 1929), regarding instructions in the matter of preparing applications for Compassionate Gratuity. According to para 2 of this circular the calculation of admissible compassionate gratuity is to be made on the basis of the pay on 1st July of each year, as entered in the Annual Return of establishment taking into consideration the increment or promotion that may accrue on that date. To enable the head of the office to readily calculate the total gratuity admissible while submitting the application for Gratuity, it is necessary to maintain a separate record of the pay on 1st July as shown in the annual return of establishment of each year. All heads of offices are therefore requested to see that this information is recorded in an abstract at the end of the Service Register in the following form, the entry being made every year at the time of the preparation of the annual return of establishment and attested by the head of the office at the time of signing the return.

S. SHAMANNA,
Comptroller.
